

GUIDING MENTAL HEALTH & ADDICTION RECOVERY

Direct Referrals for our VIPs

Mesilla Valley Hospital offers direct referrals for our
Very Important Partners (VIPs)!

To more effectively address the needs of your patients with behavioral health concerns, and to avoid sending patients to the Emergency Room when not necessary, you may refer directly to MVH by calling our **VIP line** at:

575.382.4998

Fax any collateral information about your patient to:

575.636.1955

We can also provide **Mobile Assessments** in your office
Monday thru Friday from 9 a.m. to 6 p.m.

Simply call our **VIP line** to request a mobile assessment!

(Mobile Assessments limited to locations within 30 miles of MVH.)

We provide evidence-based treatment for Tweens & Adolescents (10-17 yrs) & Adults experiencing the following and other concerns:

- ◆ Suicidal/Homicidal Thoughts
- ◆ Depression/Anxiety/Panic Attacks
- ◆ Substance Abuse & Addiction
- ◆ Psychosis/Delusions/Hallucinations
- ◆ Severe Agitation/Aggression
- ◆ Symptoms related to Post-Traumatic Stress Disorder (PTSD), Bipolar Disorder, Schizophrenia, Major Depressive Disorder, and other psychiatric diagnoses.

We offer no-cost, confidential assessments 24/7 with no appointment necessary. Walk-ins always welcome!

We accept New Mexico Centennial Care, TRICARE®, Medicare and most commercial insurance plans.

* TRICARE is a registered trademark of the Department of Defense, Defense Health Agency. All rights reserved.
